This year’s most important new gameplay features include: - Real Player Motion Technology – FIFA features a revolutionary, next-gen engine which is powered by real player motion technology, built using a combination of motion capture data, input from the global FIFA community and detailed analysis of current football trends. - Commentary Multi-Zone Language Control – Commentary can be played in any language of the choice with multi-zone language switching and commentary macro control. - Match Engine – A fully expanded match engine with a truly revolutionary AI. The match engine provides unique players, increased depth of challenge and new ways to interact with the ball. - New Champions League Match Engine – The introduction of the Champions League means a more intense, authentic and unpredictable Match Engine with player skill updates, unique player chemistry, the return of the lightning fast free kicks and a fully expanded challenge system. - New Skill Moves – Each new player receives over 30 new skill moves in addition to introducing a new variety of re-trigger moves. - New Player Dribbling – A new type of dribbling system allows each player to work on his individual game. The new dribbling system is used to score and unlock abilities. - Ultimate Team – The ULTIMATE Team Mode gives fans the

ultimate soccer experience by re-imagining each sport in the world of football. With more than 100 cards, it’s the most comprehensive soccer experience yet. Finally, FIFA has implemented some small changes and enhancements: · New Touchline Strategy Tactic – The new “Manager’s Challenge” will help both defence and midfield with teams challenging for the ball on the touchline. · New Manager Collision System – Collisions between the ball carrier and the manager will be “shaken off” for those brief moments when the referee is not looking. · Individual Replays – All player replays are now individually locked before being displayed in the new replay system, and the ability to bind individual actions and rewind the action up to 10 seconds before the result of the replay is displayed, up from 5 seconds in FIFA 21. · Player Watchdog – Players that are over-aggressive and foul the goalkeeper will be reminded not to take any unnecessary risks in Fifa 22 Crack. · Goalkeeper Enhancements – Improved ball physics for goalkeepers, tighter rebounds, and more realistic crowd noise. · New Player Controls – New controls are now available for

Fifa 22 Features Key:

- **Start your Career.** Make history as the world’s greatest footballer. Take the reins of your new team and step out onto the pitch. Learn different movements, earn performance-based rewards, and get to know the 27 real-world players that make up The World Cup in which EA SPORTS FIFA is based.
- **FIFA Play it Forward.** Earn experience points and coins - earn coins by playing, leveling up your experience earned. Buy coins to access brand new items, then use your coins to unlock new items. The more you play, the more you'll be able to unlock. In Ultimate Team, you’ll get to create your very own custom team to face off against the AI. You decide the formation, line-up of players, and tactics.
- **Attack with Skill.** Choose your formations. Every position on the pitch has different roles to play. Defend like a champion with Interception Controls. Control the defence like a boss with Quick Interception. Attacking is up to you. If you’re at the back, use your Power Kicks to send in a wall of volleys to the opposing net. It's your game.
- **Perfect your Technique.** Improve your skills all season long. Practice your free kicks. Stretch your accuracy. Master the art of creating goals. Start now, train later.

- **The stadium is Your Stage.** FIFA 22 brings the stadium right to you. Customise your experience at stadium level. Challenge your friends and the ultimate FIFA club by setting your own stadium cupboards, lighting, pitch markings and overall look. It’s your atmosphere, your stadium, and you can do whatever you want with it.
- **Pick Your Team.** Choose your club from an exciting collection of 32 licensed clubs. New to Ultimate Team in FIFA 22? You can assemble your very own squad consisting of 27 players from 16 teams in all 32 professional men’s clubs. Or take inspiration from your favourite players, and create your own team.
- **Your Teammate. Your Boss.** Use your best managers’ tactical nous and wordplay to help players perform and inspire your colleagues. Your Manager comes to Ultimate Team at the end of every season and

FIFA Ultimate Team is the new way to play in FIFA 22. With brand new Player Insights – which reveal the true potential of each FIFA Ultimate Team player using objective data points – and a wealth of new packs, FIFA Ultimate Team is bigger, better, and more accessible than ever. My Career Mode – Make a name for yourself in your favorite game mode, My Career. Select from multiple AI-controlled club coaches, and take a real-world route to the top of the game. EA SPORTS Football Club – A new franchise and a new way to play. FIFA 22 features EA SPORTS Football Club, a streamlined way to play and manage a club, whether you're playing solo or with friends. The New Shirts' Gameplay Updates • Waving the ball while sprinting is now easier than ever. – Feel the speed of your runs with sprint speed activated on the D-pad or Guide button. • Fixed an issue that prevented players from receiving feedback on dribbling skills during FIFA 22 demo matches. • Added a new Online Competition result screen. Ranked Multiplayer • A new season is now in the works for Ranked Play as a fully online experience. Keep an eye on FIFA.com for more information on Ranked Play mode soon. • Pause settings have been improved for Ranked Play. • Significantly reduced the CPU load on Ranked Play. • Added a new FIFA 20 Ranked Play leaderboard, based on total number of ranked matches played in Ranked Play. Local Seasons and Standard Seasons • Now every match in FIFA 22 is a single-season game with special one-off online qualifiers to determine the FIFA 22 winner. • When a club isn't

placed directly into the FIFA 22 edition, they will be placed into the season that corresponds to their FIFA 21 placement. • The new matchmaking system for local seasons will prioritize matches in each country where players are more active, as well as the season in which they're playing. • You'll now be able to play in local seasons with more than 10 teams – and not just the top 10 from your region. • Standard Seasons are now available for clubs outside of the 32 top-ranked countries in the FIFA Rankings. • Standard Seasons are now at the discretion of each club's owners to not accept. • Standard Seasons are now available to all players at the end of an Online Season. REQUIREMENTS

What's new:

- **FIFA 22 introduces 'Enhanced Team Instinct', which allows players to earn more attributes by playing FIFA Ultimate Team. With the new Team Instinct, players can train using their favourite teams and players so they can develop their attributes and gain class in-game.**
- **With 'Target Pass', players have an increased ability to aim their passes. If a player looks to use a pass with an extremely precise angle, the player can then create a situation where the tackle will be awarded to the player that is looking to pass.**
- **With Playmaker, the Playmaker (GK) and Advanced Playmaker (AM) are now in FIFA 22. These player types are inspired by well-known tacticians.**
