We recommend that you do not attempt to re-install this or any other product that you use with Autodesk AutoCAD, Autodesk AutoCAD Map 3D, and Autodesk AutoCAD Civil 3D from an autodesk.com site. Unauthorized third party sites can subject you to spyware, adware and other malicious software. Such installers may use your product in a way that is not consistent with how you use it. You may unknowingly be agreeing to license terms that allow the third party to charge you fees for use of your product. Autodesk provides no such services at autodesk.com, and Autodesk will not install such third party software on a customer site. Autodesk AutoCAD, Autodesk AutoCAD Map 3D, and Autodesk AutoCAD Civil 3D are considered to be "Trademarks"

of Autodesk, Inc. Autodesk, Inc. and/or its subsidiaries may enforce a policy of terminating users who are repeat infringers. Autodesk reserves the right to modify this policy at any time. Autodesk does not provide support for this software. Autodesk AutoCAD, Autodesk AutoCAD Map 3D, and Autodesk AutoCAD Civil 3D are distributed by Autodesk, Inc., which is a wholly owned subsidiary of a corporation that is publicly traded on the NASDAQ "ADS" stock exchange under the symbol "ADSK". By using this tool you agree to be bound by the terms of the Autodesk License Agreement. You can uninstall this product by deleting the AutodeskAdImintServicePack.log files from the C:\Program Files\Autodesk\AdImint_x64_ServicePack folder. To

prevent errors from occurring during the uninstall process, you must first close the AutodeskAdlmintServicePack.log files in the AutodeskAdlmintServicePack.log_user file.

Adlmint Dll Autocad 2010 Download

Autodesk does not release AutoCAD DLL files for download. In a few rare cases, however, Autodesk does make an adlmint.dll file available for download. This is normally applicable if a problem occurs while installing Autodesk's AutoCAD. We strongly advise against downloading the DLL file because Autodesk does not give us permission to distribute or publish adlmint.dll files. Some PC games have been known to have adlmint.dll files that aren't as effective as they should be. Your best option is to ensure your anti-virus is up-to-date and keep scanning your computer regularly. Furthermore, you should restore or obtain a backup of the adlmint.dll file

from our website archives. These action menu items will be used to download the latest version of the adlmint.dll file from the archives.
