
Chinese Caption Input In Proshow Producer V4 [Extra Quality]

Download

January 16, 2020 - The font does not support Chinese characters. You will have to switch to open subtitles and select a font that supports both Latin and Chinese... ----- Kon de Labre, Foreign Agent, Jr. If you do not know what it is - then this is a Chinese keyboard! Chinese computers use the Latin alphabet and this is not surprising. So the font is "Latin".

Chinese Caption Input In Proshow Producer V4

ProShow Producer and ProShow Gold, as well as all files distributed with ...

4. Just below this text area, you will see an icon. Signature Format panel. Open this panel: right-click on an empty area in the lower left corner and select "Signature Format" from the list that appears.
5. In the window that opens, select the "New Signature" command.
6. In the Add New Signature window, select a signature template for your slide (see Figure 1.35).
7. The selected template will be displayed in the Signature Format window. It can be color or monochrome (see Fig. 1.35).
8. Click the OK button to close the window.
9. Place the template under the slide.
10. Run slide
- 11.
