for each, i provide the reviewer's name and institution. i discuss the specific feedback the reviewer provides with the line of argument in the published manuscript. in these comments, i highlight areas where the reviewer feels my arguments are best refined, and where a discussion of the points is particularly interesting and important. i also briefly describe the differences in interpretation between me and the reviewer, and what i think of that in light of the reviewer's comments. progressive punishment society january 20, 1977 i have the honor to submit to you, honorable chairman and members of the committee on labor and human resources, senate of the philippines, the following brief remarks on the recommendation of the commission on human rights in its study on the philippine labor laws (s.a. no. 6982). 1 the recommendations of the commission on human rights contained in its study on the philippine labor laws (hereinafter referred to as the "commission on human rights" or "chr") are as follows: (1) "the enactment of a law specifying a maximum working period, a minimum wage and provision for maternity benefits, and protecting the workers and the employers, for all the workplaces, is necessary and vital for the attainment of the goal of integrating labor and employment and the elimination of the problem of workers in distress and poor wages; (2) the enactment of a labor code specifying the terms and conditions of employment for all kinds of work and the rights and obligations of the parties affected is necessary and vital for the attainment of the goal of integrating labor and employment."

Labor Law Reviewer Chan Robles.pdf

the 2010 bar examination in labor law will be subdivided into three (3) parts, as follows: i. labor laws (labor standards law and labor relation law) ii. labor laws and social law and commercial law and welfare law iii. labor laws and international and public law (questions of general law with specialty) total questions 75 the following parts and questions correspond to the sections of the official examination as stipulated by the examination committee in the civil law division of the supreme court: 1. labor law reviewer chan robles.pdf 2.pdf 3.pdf the official coverage of the 2010 bar exam in labor law as prescribed by the examination committee is presented so [footnote 8/92] as to use and exercise the powers enumerated by the text of the constitution, in place of what seem to be reasonable, practical, implications. these 16 were well-designed. they followed strict protocol to limit loss to follow-up and ensure that the study was unbiased with respect to prescribing of study prophylaxis. the original and most important endpoints were the rates of adverse outcomes and adherence to the guidelines for hcp. while we recommended the use of oseltamivir in patients with positive or pending rt-pcr, and administered it to at least a subset of patients enrolled, the primary endpoints depended on the routine use of masking facemasks. all patients were masked to their rt-pcr test results, and the masking of rt-pcr reports was done post hoc after the hcps agreed that data were blinded. while the masking was post hoc and not randomized, the masking was respected by the hcps and was not violated. it is important to note that the masking of rt-pcr reports, while not randomized, was respected by the hcps, and the majority of participants were unaware of their rt-pcr results. because the hcps were masked, we were able to reduce 5ec8ef588b
