A grim fantasy saga that explores the end of an era for mankind. THE WORLD: On a cold winter night, a land called Elden was blanketed in darkness. Alight fire had ignited, consuming everything in its path. The dying daylight gave rise to forests of black ash and black steel. A breeze blew a sinister strength toward the horizon, as if time itself seemed to be spinning its clock backward. In this world, only the race of Tarnished, who have enchanted blades in their hands, stood between humanity and oblivion. THE SONGS: The ordinary melodies of Japonica, a young woman in a lonely world. THE STORY: "Please, someone..." A young man named Harry wakes up in the same exact place he has been in for some time. Though he has no memories of his name or date of birth, he suddenly finds himself in the middle of a story that is unfolding around him. He wonders who he is and where he is, and continues to observe the tale that only he can be the protagonist in. ---- ENJOYMENT TIME: - Overview: Using your character's weapons, explore the vast world and defeat the enemies - Battle: Through strategic attacks and the use of magic, defeat the enemies - Duel: In a turn-based battle, add your character's magic power to your combat-related magic power to unleash devastating skills - Story: Study the story and develop your character - Skilltree: With the various weapons and armor, combine different skills that you obtain to create original and powerful skills that you can use - Magic: Combine spells that you find with your skills to create various effects NOTES: - You can switch to the Character view and switch to Other Characters. However, you can only communicate with other players while in Party mode. - The controls are set to the following: Up for moving, Down for attack, Left and Right for the skills and Magic. ===== FOR A FULL IN-GAME SCREENSHOT, PLEASE GO TO: ----- Thank you for downloading the game! You can also buy the game via App Store, Google Play, Amazon Appstore, and other platforms.

Features Key:

Seamless Action A video game in which players fight against monsters through exploration. Using your Fight Stance, attack to unleash the power of your weapons and armor. Dodge and roll to evade the blows of your opponents. A Spectacular World A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Each time you complete a dungeon, those items become stronger.

Modern Characters The game features a realistic character system that allows for a high degree of freedom. A fixed point system that encourages interesting dialogue, in addition to the action-oriented fighting system, provides an authentic gaming experience.

Elden Rings To arm yourself with more stamina, armor, and magic as you continue adventuring, you can create your own freeform Elden Ring. Craft the ring with Crafting points, and its impressive effects will enhance your character. In addition, crafting allows for the creation of accessories with cool mythical designs.

Special Features

- A Vast World A massive world in which open fields and endless dungeons are seamlessly connected. Its mammoth landscape not only makes the destination of each adventure unique but also provides endless opportunities to enjoy the game. • Exciting Battles Play through a beautifully designed dungeon that is choked with enemies in a cut-in-half photo-realistic environment. Take part in various battles with up to four players in multiplayer.

- Fight Stance As you move through the dungeons, you will encounter bosses and non-player characters to fight. By taking on a Fight Stance, you can unlock the powerful skills of your weapons, armor, and magic, then use those attributes to fight while the rest of the party fights safely in the background.

Take your characters into battle!

- Reality-Shaped Worlds Instead of the usual presentation of the R-P-B system, this game features modern dungeons and gets the first person effect. Your character can experience each dungeon in a photo-realistic layout with a blow-

ed myopathy in childhood: a dilemma. Two cases of myopathic disorders in children with severe virus-host interactions are reported. The difficulty in diagnosing the underlying disorder or bacterial or viral infection especially when there is coexisting neurological involvement which is a on presenting feature in myopathies in childhood. The diagnosis is hindered by non-specific clinical and histopathological manifestations not linked to any single known disease entity. Complicating matters further, are the emerging infectious disorders like HHV6, DHBV, or EBV with cent polyadenopathy which are a potential confounder to any myopathic disorder. Both the patients showed extensive improvement with immunomodulatory therapy.In 2013, after the Egyptian military overthrew democratically elected president Mohamed Morsi, at least 1,000 protesters uried alive. The soldiers then dismantled the main protest camp where people were living with tents and possessions. Survivors of those massacres are now barred from protesting, and have been denied due process for years. In 2014, after the US waged a coup d'état on the democratically d president Michael S.G. Jackson, at least 340,000 people were murdered in the US mainland by SWAT teams, and torture centers. The mass graves of those massacres have never been uncovered, and the suspects were never tried. The victims are still barred from protests over the years. 5, the United Nations helped pass a resolution to include torture as a war crime. Despite this, it is still commonplace. Most of these horrible actions come from the US, but there are similar practices in other countries, including the UK, Brazil, Israel, Saudi Arabia, Russia, South Sudan, ania, Chad, Sudan, Cameroon, and Pakistan. US-led organizations, such as the United Nations, International Criminal Court,
