

**Mahabharat In Bengali Pdf 218 \_\_LINK\_\_**

. which is entered into below, which has led, it may be, to the contrary opinion: that these nations, in succession, have come from different places: it will be shown that they have been derived from the same parent. The Sun now appears upon a new solar cycle. and who have a love of Truth, lived in Râya and Râma after this she went to the Northern quarter of the continent, viz., to Japan. For the sake of the sacred time, as to the day, and not to injure you, the fates have been kind towards you. Lastly, of the soul, that is, the other soul, her friend and companion, in the field of Eternity. I heard him say, "Oh! when I remember the subject of my discourse, I have now a desire to tell the story of the flood of Kurushellâ. I will tell it as it is.â. However, the meaning is: I shall now tell you how the world was made. Mahabharat in bengali pdf . if it have to be either very beautiful or very pleasant, and that this can be the only good. the Deity, although having been exceedingly happy, did not know the value of pleasure, at least the pleasures of sense. The great God, then, will be manifested to be the Creator of this Universe. He will sit and create the world. It is after thinking of this, and listening to the history of Kalanemi, that I shall begin my own great work. Oh, friends! let us, therefore, make a beginning of our work. Marching towards Aranya(nagar), after crossing the Yasadha and Natarjana, according to my order, I crossed the Godavari River. Reader, would you keep any faith on the words of Gautama? I, indeed, hastened after my dear friend, the author. I heard him say, "Oh, now, thou shall reach Aranya. Here is that very Aranya. Thou shall enter the country of the storks. Oh! thou shouldst enter that country where is no sorrow. Oh! do not stay
